

## **Kali Weber Biography**

North Battleford, SK

Director

Kali Weber is the General Manager of the Dekker Centre for the Performing Arts in North Battleford and she has been in this position since the fall of 2018. She has been an OSAC member since the day she started!

Kali has a BEd/BA in Arts Education/Theatre from the University of Regina and a diploma in Arts and Cultural Management from MacEwan University in Edmonton. Before moving to Edmonton, Kali taught junior and senior high drama at the North Battleford Comprehensive High School for seven years. The NBCHS Drama Club and the Battlefords Community Players were instrumental in her love of theatre and development as an actor, while she was a student. It is with immense gratitude that she was able to volunteer with the BCP as an adult and lead the NBCHS Drama Club for numerous years.

Before returning to North Battleford, much of her arts administration practice started in Edmonton. Kali worked for the Citadel Theatre, Edmonton Fringe, Concrete Theatre, the City of St. Albert: Arden Theatre and North Alberta Children's Festival for the Arts, and Skirtsafire- a multidisciplinary festival that features art by people who identify as women.

Kali has served on the board of the Saskatchewan Drama Association for two terms (over the span of the past decade) and was a board member for the North Battleford International Street Performers Festival for five years.
