Every year **OSAC** presents over 300 live community and school performances, attended by a total audience of approximately 75,000. This is possible because of a dedicated network of volunteers committed to making culture a vital part of Saskatchewan community life, and funding from **Saskatchewan Lotteries** administered by **SaskCulture, Canadian Heritage. Saskatchewan Lotteries** funds more than 12,000 sport, culture, and recreation organizations around the province. Each year 600,000 people participate in programs and activities initiated by these organizations, over \$1 billion of economic activity is generated, and 23,000 jobs are sustained.

The lives of Saskatchewan residents are enriched through the efforts of Arts Council volunteers who strive to ensure that live music, dance, theatre, and variety performances are available across the province. Please support this commitment to the arts by attending the many wonderful presentations available in the coming season.
