Sandra Bouza

Every now and then, we encounter an artist like Sandra Bouza who gets right down into our blood and bones. An artist whose voice stops us in our tracks. Her latest album, 'A Sound in the Dark.' is nominated for the 2024 Canadian Folk Music Awards Contemporary Album of the Year. You can hear echoes of Etta James and Carla Thomas in Bouza's powerful, highly nuanced phrasing. Like Amy Winehouse and Adele, Sandra's absorbed a lot from the greats from the golden age of R&B and has emerged with a style that's all her own. Few singers can inhabit a vocal like Bouza does.

OSAC presents over 300 live community and school performances annually, attended by a total audience of approximately 75,000. This is possible thanks to a dedicated network of volunteers committed to making culture an integral part of Saskatchewan community life, and vital funding from **Saskatchewan Lotteries** administered by **SaskCulture** and **Canadian Heritage**. Proceeds from **Saskatchewan Lotteries** benefit more than 12,000 non-profit sport, culture and recreation groups around the province. Please refer to the attached tour schedule for times, dates and locations. For further information, please contact the local Arts Council or OSAC. Please visit www.osac.ca for more information.
