## **The Wardens** **Performing in 19 Saskatchewan Communities starting**

### **October 23, 2024 in Swift Current**

The **Organization of Saskatchewan Arts Councils (OSAC)** along with its member arts councils are proud to present **The Wardens** in concert. The performances are part of the 2024/2025 **Stars for Saskatchewan** Concert Series.

### **The Wardens**

The Wardens don't just sing about the land, they're part of it. The Rocky Mountain-based band's stories and songs rise from the very land they've protected as Canadian national park wardens. With haunting three-part harmonies and chilling tales, the band's mountain music - blending folk, roots and western styles " reflects Canada's protected wilderness areas. Celebrating the return of wild buffalo, wrangling grizzly bears, lonely nights on the packtrail and reflecting on an environment in crisis, a performance by The Wardens has been dubbed "the quintessential mountain-culture concert experience."

**OSAC** presents over 300 live community and school performances annually, attended by a total audience of approximately 75,000. This is possible thanks to a dedicated network of volunteers committed to making culture an integral part of Saskatchewan community life, and vital funding from **Saskatchewan Lotteries** administered by **SaskCulture** and **Canadian Heritage**. Proceeds from **Saskatchewan Lotteries** benefit more than 12,000 non-profit sport, culture and recreation groups around the province. Please refer to the attached tour schedule for times, dates and locations. For further information, please contact the local Arts Council or OSAC.
