

Bringing the Arts to You OSAC Performing Arts in Schools School Touring Program

In 2021/22, the School Touring Program presented 25 virtual presentations and 59 in-person presentations involving the following disciplines: World Music, Hip Hop/Hoop Dance and Circus Arts. Total audience numbers were 20,427 students and teachers. There were three tours, involving 65 schools and travelling to 46 communities throughout the province. Lead teachers in each school contributed approximately 76 non-classroom hours to coordinate these presentations.

OSAC invites you to apply for the **Fall 2024/Spring 2025 Performing Arts in Schools Program**. Each fall and spring, performing artists are engaged to perform for students, helping to develop an enjoyment, understanding, and appreciation of the arts. Performers are selected to tour for their artistic excellence and special ability to interact with and relate to student audiences. Study guides, which must include curriculum links and suggestions for pre- and post-performance discussion and activities, are sent to schools before each tour. Four to five tours are selected for each touring season.

If selected to tour, OSAC will:

- develop and send brochure and booking information about your performance to schools across Saskatchewan;
- collect all booking requests from schools and set up tour routing;
- provide you with a tour schedule at least 2 months in advance of the tour;
- send school packages which include technical requirements, schedule, study guide, invoice, and performance evaluation;
- issue payment to the artist/agent and collect from the schools;
- provide the artist with a summary of all performance evaluations received;
- provide the artist with a list of suggested accommodations in the province. It is the artist's responsibility to book their own accommodations while on tour.

YOU, the artist(s), will offer:

- artistic excellence and ability to interact with and relate to student audiences;
- an interesting, informative, and entertaining 45-55-minute show (plus question & answer);
- a well-designed study guide for pre-and post-performance use in schools;
- school touring experience;
- stamina and dependability to tour for at least 2 weeks, depending on the number of shows booked, based on 2 school shows/day.

Preference will be given to shows that are:

- suitable for K-12 audiences (many schools in rural Saskatchewan have K-12 schools);
- suitable for K-8 audiences;
- suitable for middle years-school audiences (Grades 7-12)
- easy to transport, quick to set up and strike, and self-contained (i.e. carry your own sound/lights)

How Are Performers Chosen to Tour for OSAC School Tours?

- *Those artists applying for school tours do not present a live showcase performance.* Applications to tour for OSAC school tours are sent to performers, managers, and agents in April of each year.
- Applications are submitted with DVD or YouTube link, study guide, press kit, and a non-refundable application fee of \$25 + \$1.25 GST = \$26.25 (CAD only). Cheque, Credit Card, or e-transfer are all accepted. If you choose to send an E-transfer, they can be e-mailed to Catherine Tomczak, Operations Coordinator at catherine@osac.ca
- A Jury Selection Committee comprised of the School Tour Coordinator, arts educators and youth from the School membership review applications and support material.
- The committee makes tour selections based on quality, professionalism, ability to interact with a student audience, educational content and curriculum links, diversity and inclusion and fee.
- OSAC contracts the performer, prints promotional information that is distributed to schools across the province, coordinates the bookings, and routes the tours.

This is possible because of a dedicated network of volunteers committed to making culture an integral part of Saskatchewan community life, and vital funding from **Saskatchewan Lotteries**, **SaskCulture** and **Canadian Heritage**.

Saskatchewan Lotteries benefits more than 12,000 sport, culture, and recreation organizations around the province. Each year 600,000 people participate in programs and from activities initiated by these organizations, over \$1 billion of economic activity is generated, and 23,000 jobs are sustained.
